

Crossroads Families and Students,

I hope you all are doing well in the midst of this season. We love and miss you all and hope you have been able to stay connected with our Kids and YTH Ministry teams over these last several weeks.

Over the last eight weeks, we have constantly been evaluating what to do with our summer schedule. We have been in regular communication with Camp Illiana, our broader leadership team at Crossroads, as well as several parents. In the last few days, and as just announced, we have learned that [Camp Illiana is now moving its start date to July 1, 2020](#). In light of this, we unfortunately must share today that Kids Camp (June 13-17), YTH Middle Summer Camp (June 21-25), YTH Summer Camp (June 17-21), and Charlie Brown Camp (June 27) have been canceled. If you have already registered for Camp, there are opportunities to transfer to an alternative session in July [here](#), or you can request a refund [here](#). However, Crossroads will not be attending as a group in light of the decreased capacity.

We know these were not easy decisions for Camp Illiana. We have sought the Lord alongside Camp leadership throughout this process and all agree that this is the best decision for our families as we seek to steward our responsibility to love and protect our students. We are still exploring the best way to approach our plan for July, which includes Camp Alive. We hope to release our tentative plan by Friday, May 29.

As noted in the [Camp Illiana Refund policy](#), Camp Illiana is a small camp that relies on camp registration fees for funding. As a church, we are exploring how to be generous and make a donation to Camp Illiana to help sustain them in this difficult season. If you are able, we encourage you to consider donating some of or all of your registration fee to Camp Illiana. We love and value our longstanding partnership with them and are seeking to support and love them well in this difficult season. If you choose to do so, your donation is tax-deductible.

If you have not registered for Camp this summer, but desire to join me in

giving a gift to Camp Illiana to help in this season, you can do that [here](#).

Thank you in advance for your patience and understanding. We know this is a trying time for all involved. If you have any questions, please call or email [Jacob Stewart](#), [Ross Langston](#), [Ross Geiser](#), or me ([Andrew Bondurant](#)).
